## TREE LOCATION SITE PLAN

Scale (distance or feet per square) \_\_\_\_\_

Prepared by: \_\_\_\_\_

Plot existing or proposed structure(s) and all proposed trees for removal. If certain trees are proposed to be retained near the trees proposed to be removed, please show trees to be retained and annotate which trees are to be removed and which trees are to be retained. Show dimensions from the property lines, streets, right-of-ways, and existing structures.

**Please indicate orientation by using the word NORTH on site plan.**
