Master Association – October Meeting

The Master Association October action items were ratified during the November meeting. The following are the results of those action items:

- Richard Frye will be called in to consult on the trees - fee not to exceed \$200.
- Administrative Resolution thanking Rae Glover for her service was presented by Scott McCall for signature of the President and Secretary.
- Glen Cutler has contacted the college regarding the pond problem and will be meeting with one of their professors to assess the condition of the pond.
- Payment to Harry Fiedler was approved for the initial costs involved in setting up the official Straus Park website.
- David Neumann appointed Mr. Fiedler Chairman of the Communication Committee and Steve Clark Chairman of the Environmental Committee.
- Decision was made to have Johnny Combs refinish all doors at the back of the Lake House at a cost of \$1,100, including labor, materials, and a two-year warranty on labor and materials.
- Payment was approved for work done on the dirt road off Stone Creek. The Master Association paid half the cost and the developer paid the other half.
